E tastes

F shorter

G impatient

H kind

Part 2

Read the text about Nisreen and choose the correct answers.

There is one example.

Nisreen is a twelve-year-old inventor from Ajman. She started inventing when she was eight. First, she helped her mother with a new kind of laundry basket. The laundry basket has long arms that can pick up clothes on the floor.

Nisreen also decided to help her sister. It was hard for her sister to clean under the bed. Nisreen built a robot to do the job. The robot is small so it can go to places that are hard for her sister to reach. It has a brush, a motor and batteries.

Nisreen is still inventing things to help her family. When she is eighteen she wants to go to Sharjah University to study robotics and design a flying jetpack that will help her father to put out fires in skyscrapers.

Example: What is a good title for the text?

- A Huge Robots
- B Bad Inventions
- C A Young Inventor

7. At what age did Nisreen begin inventing things?

- A 12 years old
